# NEW KEY WORD for TRUFFLE OPERATOR AND INTEGRATOR

Our company **VEROTARTUFO** operates in the truffle and mushroom sector, and we employ technicians with decades of experience.

We process **mushrooms**, **truffles** and **berries**, even for organic brands, transforming them into basic product suitable for **restaurants**, **industry** and **food distributors**.

We have **fresh**, **frozen**, **dried** and **lyophilized** products in various forms: **whole**, **sliced**, **ground**, **diced** and **powdered**.

Our products are delivered in industrial **vacuum** or **modified air** packaging, or whatever you need.

We prepare the processed raw material with:

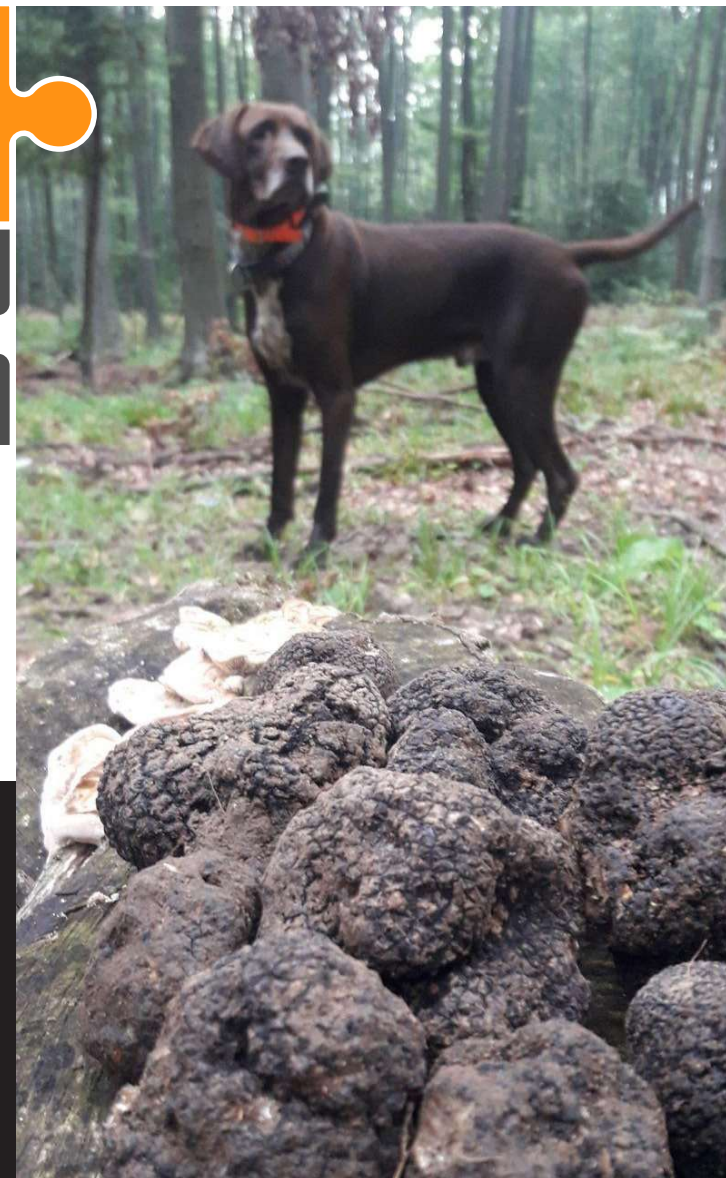

- 1 **LOW TEMPERATURE LYOFILIZING**
- 2 **HIGH PRESSURE DEHYDRATING**
- 3 **FROZEN**

Our work complies with current regulations established by the European Union and national states.

**VEROTARTUFO®**
